British of the great day.

Fifteen Dollars for Two Days.

One day last week a New Orleans lady, now visiting the city, purchased what she supposed to be a gold watch and chain from a peddier in jeweiry, watches, cleeks, diamonds, etc., agreeing to jey \$125 for some. The watch was given to he on trin. The purchaser took the sylven to he on trin. The purchaser took the wastern and the control of the control of the watch and chain took were worth only alloud 516. She kept the articles two days end then took too the scient, testing him she had been told that the watch and eladu was not what he represented them to be and resulted to the control of \$15 as damages and two days use of some. To avoid further trouble the \$15 was paid. Moral Always into Jewelry Irom reliable dealers.

An Editor Prays.

The San Markos Free Press page the following tribute to the energetic and consistent shristianity of Bider Wilmeth, who is now engaged on revival work in San Antonio:
"Among the editors on the excursion, was Boer C. M. Wilmeth, an evangeble of the Ciristian Prancher, of Dallas. On the Sunday of our visit to the coal mitors, he proposed holding religious services in one of the cars. The idea was uponly shoored at by some, and Lemp's ice could bear of which we have read so many editories in excursion. However, was elicity presided, and within this share of accessive presided, and within this share of accessive presided, and within this mark of a presubor who would full to show his culous under such riccumstances."
